

Speke's Retreat Disability Statement

Speke's Retreat was converted from a redundant farm building in 2005. Speke's Retreat has level and sloping access from the car parking area. The living accommodation has slate flooring. The kitchen does not have a low level sink, cooker or worktop.

The entrance doors threshold are wheelchair compatible.

The downstairs bedrooms have slate flooring and en-suite shower cubicles. Neither the wc or the sink are low level.

If there are any questions you would like to ask about Speke's Retreat, telephone me on 01237 441268, or 07833 996343, or email sue@gorvincottages.co.uk

Aunt Nell's Cottage Disability Statement

Aunt Nell's Cottage was converted from a redundant farm building in 2005. Aunt Nell's Cottage has level and sloping access from the car parking area. The living accommodation has slate flooring. The kitchen does not have a low level sink, cooker or worktop.

The bathroom is downstairs and the bedrooms upstairs. Neither the wc or the sink are low level.

There is a separate wc upstairs.

The entrance door threshold is wheelchair compatible.

If there are any questions you would like to ask about Aunt Nell's Cottage, telephone me on 01237 441268, or 07833 996343, or email sue@gorvincottages.co.uk

The Old Dairy Disability Statement

The Old Dairy was converted from a redundant farm building in 2001. The Old Dairy has level access from the car parking area. The living accommodation has tiled flooring, the walls are painted in two colours, at higher and lower levels. The kitchen does not have a low level sink, cooker or worktop.

One bedroom is designed for those with a disability in mind and has a wood floor, low level light switches and high level power points. The dressing table can be accessed with a wheelchair.

There is room to turn a wheelchair around.

The other two bedrooms have carpeted flooring and not sufficient room for a wheelchair.

Access to the shower room is through a wide, 2 door opening. The shower is a wet floor (a shower seat is available). The low level wash basin has lever taps with a mirror above. There are handrails on both sides of the WC with a disabled height seat. There is a low level light switch outside the shower room and a pull switch inside.

The bathroom does not have a low level WC or handrails, the washbasin is not low level. There is a non slip bathmat available.

If there are any questions you would like to ask about The Old Dairy, telephone me on 01237 441268, or 07833 996343 or email sue@gorvincottages.co.uk

Polly's Cottage Disability Statement

Polly's Cottage is part of an old listed building. Polly's Cottage can be accessed by a level walk from another car parking area over concrete cobbles, not the designated car parking area. The downstairs accommodation is well proportioned with room to move around the furniture. The kitchen does not have a low level sink, cooker or worktops.

The wide stairs rise in three parts, 5 steps with handrail, 4 steps with handrail, and then two steps without a hand rail.

The bathroom does not have a low level WC or handrails, the hand washbasin is not low level.

The shower is over the bath. There is a non slip bathmat available.

If there are any questions you would like to ask about Polly's Cottage, telephone me on 01237 441268, or 07833 996343 or email sue@gorvincottages.co.uk
